

## Introduction

The Pansy Mat is borne out of the Penny Rugs traditions of the early 1800's.

From bits of wool scraps and felted wool scraps, they crafted functional items for their homes that reflected their creativity and ingenuity. A penny rug was used as a table mat most often, but could also be used as other decorative items for the home as well as the sewing basket.

Originally, the mats that were made to protect table tops were covered with stacks of "pennies". The pennies were circular pieces of wool that were cut using the coins of the day as templates.

As time went by, the designs included appliqué work also. The inspiration for these designs often came from other familiar sources. This would include folk art of the person's ethnic community.

May you find inspiration in these patterns to bring your own unique brand of style into your home.

**Care Instructions:** All of the wool felt in our kits is a blend of 20-35% wool. Dry cleaning is recommended for cleaning. To press wool felt, use a steam iron on high.

## Kit Contents

Qty	Item

8	Leaves
24	Hearts - 1" Cream
8	Hearts - 1½" Purple
4	Hearts - 1½" Yellow

## Stitches Needed

### Blanket Stitch

To make a Blanket Stitch, thread a needle with the floss and knot one of the two ends of thread.

The starter stitch begins between the two layers of wool felt.

Pull the thread tight which will set the knot between the layers.

Insert the needle down into the fabric, through both layers, and up inside the loop. Then, pull tight.

Repeat this along the edge of the fabric until you have completed the edging.

The stitching should be evenly spaced and have the loop along the seam between the two piece.

## Instructions

The Pansy Mat has eight blossoms that are sewn together and splayed out to create the flower. The flowers are then attached to the top layer of the mat. The bottom mat layer is then blanket stitched to the top to hide the stitching and knots of the blossoms.

### Full Size Pansies:

The four large blossoms are formed with two purple and one yellow petal sets. Each set has a large heart with a cream heart on top aligned at the tip.

Attach the blossom with a single stitch at the appropriate location in one of the lobes of the mat.

Using the same needle, without cutting the floss, add the three "birds foot" lines which form the flower center to each petal set as shown in the picture. Sew through the mat. This provides a firm anchor for each blossom. Cut and tie off.

Repeat for each large blossom.

### ***Small Size Pansies:***
